Designed to Last – Hinged Steel Doors from Hörmann

Durable, secure, and high quality – steel doors from Hörmann are suitable for a wide variety of busy environments from industrial workplaces and warehouses, to offices, and public buildings.

• Constructed from 62mm heavy duty steel
• Fitted with secure locking systems - security rated up to RC3.
• Sound insulated to 61db to reduce noise pollution both internally and from the outside
• Fire rated to 90 minutes and smoke tight up to 200 degrees C
• Fitted with stainless steel hinges and FSB Architectural handles sets for a quality finish
• Match brand colours or building interiors/exteriors with a range of finishes and colours. Choose from a stainless or galvanized steel finish or an array of RAL and BS colours.
